## For Saturday May 17 9am

The Astor Name is Acknowledge in every automotive circle whether it's among members of Packard International or Classic Car Club. Art's fabulous automotive interest is invincible so it seems appropriate that Packard's International and Classic Car Club Regions gather on this final Automotive extravaganza to present to you the magic car kingdom of Orange County **Astor Land**. This Automotive scene is a collection of art Astor's personal preferences. For that a debt is owed to Art for preserving these treasures for the future. As you probably know fewer than 150 guest will be invited to walk the red carpet as the final curtain call will rise on this Orange County Phenomenon.

So mark your calendar Saturday May 17, 2008 and reserve your spot in history early. This tour will sell out so register early! Plan to arrive at 8:30 am & park your Packard on the west lot on the south end. As the tour will commence at 9:00 am lunch and ceremonies will begin at 12:00 ( collection closes during luncheon) collection to reopen after lunch. Please make checks payable to So. Cal.
