

Desert Show/Packard Car Corral - November 7, 2009

We have been invited to participate in a show in La Quinta (Palm Springs area) on Saturday, November 7, 2009. The Desert Classic Car Association & the Sun n' Sand Region of the Antique Automobile Club of America ("AACA") are holding a three day event and one of the key organizers and a long time Packard owner and PI member, Eric Baltzer, asked us to join them, have fun and enjoy and support the show on Saturday. We will have our own Packard Car Corral to display our Packards. Or, you can sign up to show your Packard (more info below). This is a significant AACA show so they expect a good turnout of many makes from early cars and motorcycles, thru vehicles from the 70's. Always something interesting to see and someone interesting to meet. For us, it should be an enjoyable day of visiting, enjoying the Packards and other fine cars in the show and on display. And, maybe also taking in a few of the local sights. Eric assures us the weather will be at its best and we will be warmly welcome and that they look forward to a nice Packard display. Please join us on Saturday, November 7th for a nice Packard drive to and day in the desert – sign up today.

Please make your reservation today and send it and registration fee of \$25.00 to the event Chairperson, Monica Abel (address below). **Also call or email our tourmaster, Jay Johnson** at (626) 780-6397 or YAHJJMP@Yahoo.com to let us know you are coming and so that we can save a place for you. Don't forget your camera.

If you want to show your Packard in the AACA show and are an AACA member, please call Jay Johnson for more info. Also call Jay if you want more info about the entire weekend show, including hotel rooms should you want to spend a night.

The show and our Packard Corral will be in front of the Embassy Suites Hotel on the large grassy area. The hotel is at 50-777 Santa Rosa Plaza, La Quinta, CA 922533 (760) 777-1711. We will be there most of the day, but plan to arrive by 11:00am, or earlier if possible. Driving directions are on the reverse side of this notice.
