## World-Class Museum Attractions

■ "Max," the largest mastodon ever found in the Western U.S.; "Xena," a 16,000 year old mammoth; and "Sammy," a giant ground sloth

Enjoy a pleasant Sunday tour to Diamond Valley Lake, Southern California's largest fresh water reservoir located in Eastern Riverside County. After a scenic view at the lake's overlook, we will caravan to the new Western Center for Archeology and Paleontology. The lake's excavation has brought to light fossil evidence of Southern California's past. Experience the power of the past when you come face to face with "Max," the largest mastodon ever found in the Western United States.

Following the museum tour, we will take a short drive to the Menifee Lakes Country Club for a picturesque champagne brunch overlooking the golf course.

The cost of the tour is \$28.50 per person which includes the museum tour and brunch. There will be no charge for children under the age of 12.

We must receive your tour reservation by Friday, March 5, 2010.

**If you have any questions, please call tour masters Leigh Johnson, at (951) 659-2800 or Bob Waner at (951) 927-2606**
