

Collector tour – Severns Garage

Saturday, July 12, 2008

Please join us on Saturday, July 12th on our annual summer collector tour. This year, members Gary and Margarita Severns have invited us to see their collection of Packards and other fine automobiles. The “Severns Garage” is located in Long Beach so it should not too warm. This is a joint tour with the Southern California Region of the Classic Car club of America and jointly, we expect a large turnout as we have seen on past collector tours.

Gary and Margarita’s fine collection of over 20 automobiles is “housed” in a equally fine building complete with art work, automotive memorabilia and service facilities – we all want (need?) such a collection and “garage” – don’t miss seeing this one! And, Gary has arranged for us to visit a neighboring collection and facility to see Bob and Pam’s collection of “fast” cars.

A catered lunch from a local restaurant, featuring authentic Italian food and salads will be served at the garage.

Gary and Margarita encourage everybody to bring their Packard or Classic (or other collectable) as there is ample parking space’s in front of the garage and in an adjacent secure lot and everybody can enjoy not only the cars that are inside the garage but the ones that our members bring that will be parked outside.

We meet at the Severns Garage at 1390 Freeman Ave., Long Beach, CA 90804 (see directions on the reverse side of this notice). Plan to arrive by 10:30am. Lunch will be at 12:00.

We look forward to seeing you on the tour, bring a friend!

The cost of the tour, including lunch, is \$35.00 per person. **Please respond by July 2nd as we need to give the caterers a count by July 3rd.**
