Your Souvenir Portrait by the Christmas tree for your family album by professional photographer Larry Hack whose work is seen regularly in the Packards International magazine.

Gourmet Lunch by one of the best kitchens in SoCal with three great entrée choices:

- **Petit Filet Mignon** with Green Pepper Corn Cognac Sauce
- **Grilled Salmon** with Wild Mushroom and Baby Leek Fricassee
- **Chicken Wellington** with Cabernet Sauce

Each entrée includes a **Salad** of Holiday Greens, with Dried Berries, Sonoma Goat Cheese, Candied Pecans, and Honey Lime Vinaigrette. The **Dessert** will be the Center Club's Holiday Trio of Chocolate Amaretto Torte, Gingerbread Cheesecake, and Pear Puff.

Special Kids Menu of Fruit Cup, Chicken tenders w/french fries and ice cream dessert.

Cash bar for those who can still drink.

Traditional White Elephant Exchange, directed by future ex-past president, Keith Alber. Be sure to wrap your elephant with love, or at least, with seasonal gift wrap. You choose which season. (For every gift you bring, you get to take one home.)

Washington, D.C. prices for everyone, with subsidized deficit spending by the Club. Let your grandkids pay the rest. Lastly, **Raffle Prizes** of enduring value such as the **Lavish Centerpieces** designed and manufactured by Dee Johnson in her unlicensed workshop, from prestigious Sweatshop Row in Hacienda Heights.

The Center Club is a private club that ranks #1 on the snooty scale. You might want to finish up that nip/tuck. Then wear your best bib and tucker, your longest gown, your fuzziest fur. Ladies should also dress appropriately. *Bring your friends. We are getting the Big Room this year.*

Drive your Packard and park in the canopied driveway of the Orange County Performing Arts Center. Brand X cars can use the parking structure for \$8.

Return reservation form by Dec 5.
