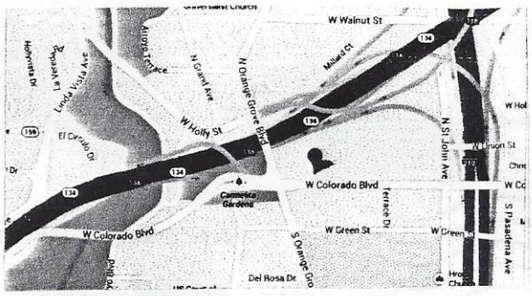
PACKARDS INTERNATIONAL MOTOR CAR CLUB
NOVEMBER TOUR SUNDAY NOVEMBER 11, 10:30 A.M.

Norton Simon Museum of Art
411 West Colorado Blvd.
Pasadena, California 91105-1825



The best little museum you haven't ever seen is the destination for our November tour.

The Norton Simon Museum is known around the world as one of the most stellar collection of art ever assembled. This most astonishing collection of the world's greatest art includes European, Renaissance, Chinese, impressionistic, and modern art.

We will have a private tour with docents. Arrival time is 10:30 a.m. at the smaller entrance reserved for staff near Rusnak Cadillac, so you can bring your Packard. If you arrive at 11:00 you will park in the regular parking lot with no security.

This will not be an all-day, foot-numbing, mind-boggling, boring, "I don't ever want to see another museum" event. It will be just big enough to make the trip worth while, but not be so big as to be boring, or cause culture shock.

Recommended lunch is at the Cafeteria Sculpture Garden with soup, salad, and sandwiches. [Not included in the price] Your lunch mates will be Giomenti, Henry Moore, Calder, and Piccasso.

The Norton Simon Museum is unquestionably the finest and most prestigeous collection of art ever collected by one man. It has a 5-star rating, and is not to be missed. We are limited to 45 people. So make your reservations early.

Cost is $25.00 for each participant.

I the undersigned release Packard International and the Norton Simon Museum from all liabilities incured during my attendance at this event on November 11, 2013.
